GUIDELINES UNDER TEXAS LAW FOR USE OF HOTEL OCCUPANCY TAX REVENUE

State Law: By law of the State of Texas, the City of Lakeway collects a Hotel Occupancy Tax (HOT) from hotels, motels, inns, and bed-and-breakfast establishments. **Chapter 351 of the Tax Code states that HOT funds may be used only if both parts of the following two-part test are met. Part One requires that usage of HOT funds must directly enhance and promote visitors and the convention and hotel industry, and Part Two limits the use of HOT funds to the following:**

(1) Convention center facilities or visitor information centers: the acquisition of sites for and the construction, improvement, enlarging, equipping, repairing, operation, and maintenance of convention center facilities or visitor information centers, or both;

(2) Registration of convention delegates: the furnishing of facilities, personnel, and materials for the registration of convention delegates or registrants;

(3) Advertising, and conducting solicitations and promotional programs to attract tourists and convention delegates: advertising and conducting solicitations and promotional programs to attract tourists and convention delegates or registrants to the municipality or its vicinity;

(4) Promotion of the arts: the encouragement, promotion, improvement, and application of the arts, including instrumental and vocal music, dance, drama, folk art, creative writing, architecture, design and allied fields, painting, sculpture, photography, graphic and craft arts, motion pictures, radio, television, tape and sound recording, and other arts related to the presentation, performance, execution, and exhibition of these major art forms;

(5) Historical restoration and preservation projects or activities: historical restoration and preservation projects or activities or advertising and conducting solicitations and promotional programs to encourage tourists and convention delegates to visit preserved historic sites or museums: (a) at or in the immediate vicinity of convention center facilities or visitor information centers; or (b) located elsewhere in the municipality or its vicinity that would be frequented by tourists and convention delegates;

(6) Sporting event expenses related to sporting events which substantially increase economic activity at hotels: for a municipality located in a county with a population of 290,000 or less, expenses, including promotion expenses, directly related to a sporting event in which the majority of participants are tourists who substantially increase economic activity at hotels and motels within the municipality or its vicinity.

City of Lakeway Process: The City accepts applications from groups who request HOT funds for events/activities/facilities which fit into one or more of the above-listed categories. The City reviews the applications and all decisions are final.

City of Lakeway Policy:

- (1) The purpose of HOT funding is to assist and support qualified events/activities/facilities, *not* to be the major patron or the majority funds provider for the event/activity/facility.
- (2) Priority will be given to those events and entities based upon documented ability to directly promote visitors and the convention and hotel industry in Lakeway by “being likely to cause increased hotel or convention activity.” Such activity may result from hotel or convention guests that are already in town and choose to attend the funded event or facility, or it may result from individuals coming from another city or county to stay in an area lodging to attend the funded event or facility. Applicants will document the potential to generate increased hotel or convention activity by:
 - (a) providing historical information on the number of room nights used during previous years of the same event/activity/facility;
 - (b) providing current information on the size of room blocks reserved at area hotels to accommodate anticipated overnight guests attending the funded event/activity/facility;
 - (c) providing historical information on the number of guests at hotels or other lodging facilities that attended the funded event/activity/facility; and/or
 - (d) providing examples of marketing of programs and activities likely to generate or encourage overnight visitors to local lodging properties.
- (3) All Applicants are encouraged to patronize local businesses for food, supplies, materials, printing, and the like.
- (4) A portion of the revenues from any event/activity/facility receiving HOT funds should be channeled back into the future costs of operating that same event/activity/facility or the continued operation of such.
- (5) No other outside events, projects, charities, or the like which are also sponsored by the host organization may profit from HOT funding of the particular event/activity/facility funded.
- (6) It is critical that the Application/Request for Funding be filled out completely and accurately. Under the application section “Fund Usage,” it is the responsibility of the Applicant to specifically explain how the funds will be used *only* in eligible ways.
- (7) If applying under the Advertising category, please note the local requirement that advertising must be accomplished *in advance* of the event/activity/facility, and must utilize legitimate media for promotion outside of the area, i.e. direct mail, newspapers, magazines, radio, television, billboards, internet advertising

(8) Maximum funding guidelines - All funding requests should be for fifty percent (50%) or less of Applicant's total projected gross revenue from the event/activity/facility. All advertising requests must be 50% less than the gross advertising expenditures. Applicants must match at one-to-one of the total funds requested from the City and provide detailed support for all advertising expenditures so that the one-to-one match can be verified by the City.

(9) Applicants are on notice that, while the City makes decisions based on *estimated* budgets and projections, documentation of how granted funds were spent must be *actual costs supported by proofs of payment*. Any monies not used or not used lawfully must be returned or repaid to the City within sixty (60) days of the event, along with the completed Post- Funding Analysis.

(10) The final accounting of funds must mirror the items outlined in the Applicant's original application, in its fund expenditure outline, and in its request letter.
