

## **RESIDENTIAL MINOR ELECTRICAL PERMIT APPLICATION**

### **APPLICATION:**

Any owner or authorized agent who intends to construct, enlarge, alter, repair, move, demolish, or change the occupancy of a building or structure, or to erect, install, enlarge, alter, repair, remove, convert or replace any electrical, gas, mechanical or plumbing system, the installation of which is regulated by codes and ordinances adopted by the city, or to cause any such work to be done, shall first make application to the building official and obtain the required permit.

Permits shall not be required for the following. Exemption from permit requirements of this code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this code or any other laws or ordinances of this jurisdiction.

### Electrical:

1. Listed cord-and-plug connected temporary decorative lighting.
2. Reinstallation of attachment plug receptacles but not the outlets therefore.
3. Replacement of branch circuit overcurrent devices of the required capacity in the same location.
4. Electrical wiring, devices, appliances, apparatus or equipment operating at less than 25 volts and not capable of supplying more than 50 watts of energy.
5. Minor repair work, including the replacement of lamps or the connection of approved portable electrical equipment to approved permanently installed receptacles.

### **DEFINITIONS:**

**BRANCH CIRCUIT:** The circuit conductors between the final overcurrent device protecting the circuit and the outlet(s).

**DEVICE:** A unit of an electrical system that carries or controls electrical energy as its principal function.

**PANELBOARD:** A single panel or group of panel units designed for assembly in the form of a single panel, including buses and automatic overcurrent devices, and equipped with or without switches for the control of light, heat or power circuits, designed to be placed in a cabinet or cutout box placed in or against a wall, partition or other support and accessible only from the front.

**SERVICE:** The conductors and equipment for delivering energy from the serving utility to the wiring system of the premises served.

## **BONDING & INSURANCE**

### **BONDING**

Before a permit for construction of any improvement is issued, the applicant shall submit to the city a permit bond in a form acceptable to the city in the principal sum of ten thousand dollars (\$10,000.00). Such bond shall secure and be used for the payment of any and all damages to persons or property (including the city) which damages arise from, or are caused by, any act or conduct taken or authorized by the permit holder or any permit actor. Among the damages secured by the permit bond and for which the bond amount is payable is the cost to the city to cure or abate any condition deemed or found to be a nuisance pursuant to any city ordinance or other applicable law caused by defective, incomplete or noncompliant construction of any improvement to real property.

Governmental agencies shall not be required to submit a permit bond.

### **INSURANCE**

Before a permit is granted under this article, the applicant shall furnish to the city a certificate of insurance showing a waiver of subrogation in favor of the city and the city as the certificate holder, proving that he has procured public liability and property damage insurance in the following amounts:

- (A) For damages arising out of bodily injury or death of one person in any one accident: \$250,000.00.
- (B) For damages arising out of bodily injury or death of two or more persons in any one accident: \$500,000.00.
- (C) For injury or destruction of property in any one accident: \$250,000.00.

Such insurance shall be kept in full force and effect during the period of time for which a permit shall be issued or until the issuance of a certificate of occupancy or certificate of completion.

Governmental agencies shall not be required to submit proof of insurance.
