How Do I Get Rid Of It?

It's January and if you're cleaning and organizing, you might have the urge to purge! Once you've donated the good stuff, here's how to dispose of other items:

Live Christmas Trees (please remove all lights and decorations)

Take trees to Public Works at 3303 Serene Hills Dr. from December 28 to January 8. The gates are open from 7:00 a.m. to 3:30 p.m., Monday through Friday. If you drop it off on the weekend, please do not block the gate.

If you prefer, call us for bulky pick up several days before your service day, as the schedule can fill up quickly. The tree needs to be cut to shorter than six feet tall.

Artificial Christmas Trees

Call us for bulky pick-up several days before your service day. Please take the tree apart if it's more than six feet tall.

Bulky Items

Call us for bulky pick up of appliances (ovens, washers, dryers etc.), furniture, mattresses or many other large items. You are allowed up to two items per week. The service does not pick up electronics, refrigerators (see below for other ways to dispose of them) or construction materials.

Refrigerators

Salvation Army will pick up working refrigerators or you can take broken ones to the Recycling Center at 9405 Dessau Rd, Austin, TX 78754. You may call them at 512.836.7512. There is no charge and their website is: www.recyclingcenteraustin.com.

Hazardous Waste and Electronics

You can take electronics and a variety of other items including hazardous waste and tires to the Austin Resource Recovery Center at 2514 Business Center Dr., Austin, TX 78744. You must make an appointment. Their website is www.austintexas.gov/departments/austin-resource-recovery and their phone number is 512.974.4343.

Latex Paint

Latex paint can be thrown away in your trash can as long as it is dried out. You can speed up the process by adding paint hardener, kitty litter or paper scraps to dry it out.

Holiday Schedule

New Year's Day (Friday, January 1) trash will be serviced on Saturday, January 2.

The City of Lakeway Offices will be closed:
