RECYCLING REMINDERS

Thank you for your efforts to recycle! Please keep the following tips in mind:

- Recycling should be loose in the cart, not in plastic bags. Plastic bags are not recyclable and cause issues with the machinery. Plastic grocery bags can be recycled at your local grocery store.
- Pizza boxes are not recyclable as the grease contaminates the paper that is being recycled. You can recycle the top of the box as long as it does not have any food or grease stains.
- Please don't put brush or yard clippings, clothes, diapers or pet litter in your recycling container.
