## Weekly Trash & Recycling Services

Your trash and recycling carts are serviced every week plus up to **8 TOTAL** of any combination of household trash bags, yard bags and yard waste bundles are allowed.

The picture is a sample of how they could be combined; any combination is fine.

Plastic or yard bags must weigh less than 35 pounds and be closed.

Bundles must be tied together and no larger than 3 feet by 3 feet.

Up to 25 flattened, medium sized cardboard boxes will be recycled each week. They should be in a box or tied together.

**Please put your carts out by 8 a.m. on your service day or you can put them out the night before after 6 p.m.**

**If they are not out by 8 a.m. and the truck goes by, they will not come back to service.**

**Carts should be put away that evening after they are emptied.**

**If your street is missed, please leave your carts out so they can be serviced the following day.**

## Curbside Bulky Waste Pick Up

The City of Lakeway's curbside bulky waste service allows for two items weighing 100 pounds or less to be picked up with your normal trash each week. They will take items such as stoves, water heaters, mattresses, washers, dryers, furniture and other large items that don't fit in the cart or 8 bag limit.

There is no additional fee for this service, however, you will need to call the Solid Waste Department at 512-314-7514 by 2 p.m. the weekday before your regular service day in order to request to be added to the bulky pick-up schedule. The schedule does fill up, so please make sure to receive a confirmation before putting any large items out.

Items that are not accepted include: TVs; electronic devices; refrigerators or freezers without certification from a technician that the Freon has been removed; wet paint cans/buckets; motor oil; hazardous chemicals; medical waste; syringes; and construction debris. There may be other items that they cannot take so please call us with any questions.

The City of Lakeway Offices will be closed for the following holidays, but recycling and trash will be serviced as usual:

- **4th of July:** Monday, July 4, 2022
- **Labor Day:** Monday, September 5, 2022
